Certificate, Full Stack Development

- Grade: A+

Columbia College – Columbia, SC
Master of Arts in Organizational Leadership

- GPA: 3.95
- Summa Cum Laude

University of South Carolina Honors College – Columbia, SC
Bachelor of Science in Middle Level Education

- Concentration in Mathematics and Social Studies
- GPA: 3.95
- Summa Cum Laude

PROJECTS

ReelTime   **07/2024**

- Collaborated on the development of a dynamic social media web application for movie enthusiasts, enabling users to explore, review, and share opinions on films.
- Focused on building a responsive, visually appealing interface using Bootstrap and CSS, ensuring cross-device compatibility and enhancing user engagement.
- Implemented the MVC architecture with JavaScript, Express, and Sequelize while integrating external APIs (OMDb and Watch Mode) to provide comprehensive movie data.

Tech Blog   **07/2024**

- Developed a full-stack web application following the MVC paradigm, enabling users to create, edit, and comment on blog posts, with a responsive and modern user interface constructed using Handlebars.js and Bootstrap.
- Built the backend with Express and Sequelize, and implemented session management using Express-Session, ensuring secure user authentication and data persistence.

ADDITIONAL WORK EXPERIENCE

Self-Employed – Columbia, SC
Freelance Tutor   **08/2016 – Present**

- Mentored students in problem-solving techniques, fostering critical thinking and empowering them to tackle complex problems independently.
- Utilized problem-solving skills to identify and address individual learning gaps by designing and implementing personalized learning plans, resulting in consistent A grades for all students and demonstrating an analytical and adaptive approach to meeting specific needs.

Camp Gravatt – Aiken, SC
Camp Director   **09/2019 – 08/2023**

- Managed a $400,000 budget, utilizing data-driven decision-making to optimize resource allocation and increase profitability by 10%.
- Led a large, diverse team, fostering a collaborative environment and ensuring the successful execution of complex projects.
- Created detailed documentation for camp programs and staff training, ensuring consistency and scalability in operations.
